

# STATEMENT OF ACCOMPLISHMENT

#38,304,998

HAS BEEN AWARDED TO

## Youssef Chebl

FOR SUCCESSFULLY COMPLETING

## Intermediate Python

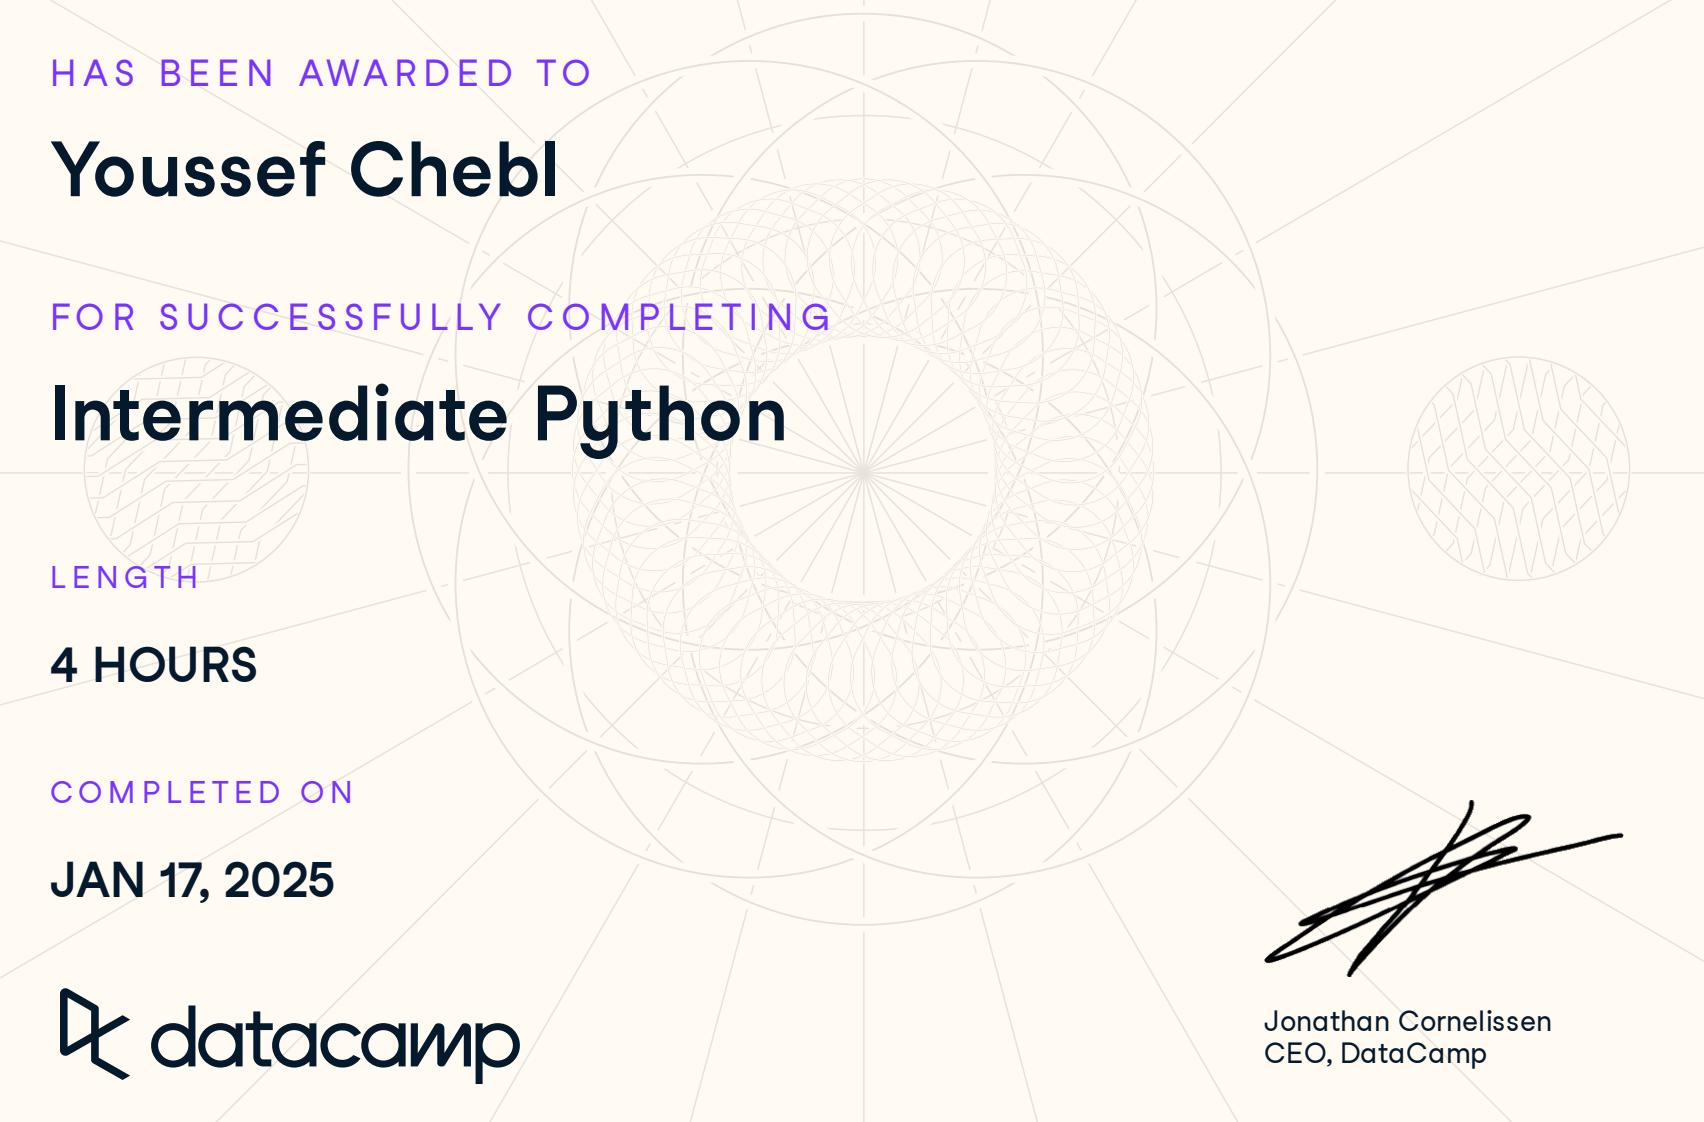

LENGTH

4 HOURS

COMPLETED ON

JAN 17, 2025

 datacamp

A large, faint watermark-like graphic in the background features a central circular pattern resembling a globe or a complex network, surrounded by concentric circles and radiating lines. Two smaller circular icons with grid patterns are positioned on either side of the main circle. The entire graphic is rendered in a light gray color.
